RAILWAY

School Group Bookings at the Bodmin & Wenford Railway

Schools in Cornwall can make discounted group bookings with us. We're the ideal attraction for that end of year school trip, or a more educational event to look into the history of Cornwall, China Clay or the Industrial Revolution!

Our prices are for groups of 10 children or more; staff travel free of charge.

- A single journey down one of our branch lines and back is £6.50 per child.
- A full round trip of both our branch lines is £9 per child.
- A visit and tour of just our station at Bodmin General is £3.50 per child.

Any school visits will be able to use our static Exhibition Coach as a base for staff, a bag drop area or a lunch area away from any other customers.

If you're on the train we can also organise for a volunteer to accompany your group as your very own 'Special Guide' who can talk about the railway and its history.

Each child will receive a novelty railway pencil and activity sheet to fill out on their journey and as a souvenir of their day!

Our Gift Shop will also be open, so the children can always bring a little bit of spending money so they can buy a souvenir or a gift to take home to their parents.

For more details and to book, contact us on 01208 73555 or email enquiries@bodminrailway.co.uk.
